## **Announcing Hacker Evolution for the iPhone and iPod**

Cluj Napoca, Romania, European Union, May 29, 2009

**exosyphen studios**, a game development studio with a long standing experience and reputation, is pleased to announce a unique and challenging game for the iPhone and iPod .

In Hacker Evolution, you pit your skills against a network of computers and try to hack into as many computers as possible. Use viruses or bounce your connection through hacked servers, in order to avoid being traced and lose your firewall. Something that looks simple at first, will become a challenging adventure. Balance your resources carefully and plan your attacks to obtain the maximum number of score points and to retrieve deadly viruses you can use in your attacks.

Hacker Evolution is being published on the App Store by Clickgamer.com

### **Hacker Evolution Pricing and Availability**

**Hacker Evolution** is available for \$0.99 in the Apple App Store. The game can be played on any iPhone or iPod device.
